Dear Scott,

I understand that you need a note from us regarding our ad, which is set to run on your station starting tomorrow, and the lowest unit charge.

The advertisement in question is an authorized use of the station by Tierney for Congress, notwithstanding its copayment by the DCCC, and hence is eligible for the lowest unit charge. If you have further questions, please contact our counsel, Brian Svoboda, at (202) 434-1654.

Best regards,

Matt
